Import of colour TV components

280. SHRI SUBAS MOHANTY: Will the PRIME MINISTER be pleased to state:

(a) the names of the countries from where the components of colour television sets were imported during the last two years;

(b) the scheme under which the said components were imported;

(c) what is Government's assessment about its impact on indigenous small scale manufacturers; and

(d) what are the details regarding the policy of Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS AND SPACE (SHRI K. R. NARAYANAN): (a) Major source for import of components for colour television sets during the last two years have been Japan, South Korea, Singapore, West Germany and France.

(b) These components have been imported as per the various provisions in the Import Trade Control Policy in force.

(c) and (d) Major electronic components for CTV sets are not manufactured in the country and are therefore placed under Open General Licence (OGL). Indigenous manufacturers whether in SSI or large scale sector are not affected by this policy. Whenever the production of any components under OGL commences, the situation is reviewed and necessary protection is provided to the unit.
